

MAKNA Cancer Research Award 2008

in Collaboration with the Academy of Sciences Malaysia

INFORMATION ON APPLICATION FOR THE RESEARCH GRANT

1 Objectives

The aim of the MAKNA Cancer Research Award is to promote cancer research among young scientists.

2 Eligibility

Application is open to all Malaysians citizens with a basic degree and aged below 40 years, residing in Malaysia and interested in research. Students who are pursuing their postgraduate degrees are encouraged to apply.

3 Research Award

MAKNA will provide a maximum amount of RM150,000.00 per year in research award or awards. The value of each award will be between RM10,000.00 to RM30,000.00 for each project. These awards cannot be used to purchase equipment and to employ salaried personnel. The project must be carried out in Malaysia and completed within 2 years duration.

4 Application procedure

All application should be made on the application form, which can be obtained from the Academy of Sciences Malaysia/ MAKNA's website.

5 Review of Application

All applications received will be reviewed by a Selection Committee.

6 Presentation

After completion of the project, award holder must submit a report (within 3 months) and also present their findings at a suitable forum in Malaysia (within 1 year).

7 Disbursement

The award will be disbursed through the name of the candidate's institution.

8 Deadline of Application

The completed form should be submitted before **31 August 2008** to the following address:

Academy of Sciences Malaysia
902-4, Jalan Tun Ismail, 50480 Kuala Lumpur

9 Intellectual Property

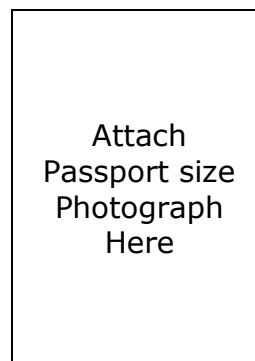

Research findings should be jointly and equally owned by the researcher, the institutions and MAKNA.
